

GREAT VALLEY HIGH SCHOOL

SENIOR PROM 2021
FRANKLIN COMMONS
MAY 15, 2021
6:30 PM TO 10:30 PM

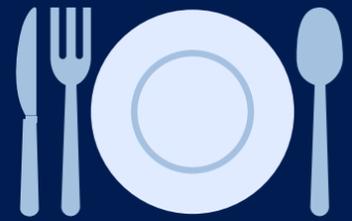

DANCING

Due to social distancing and safety procedures, this year's prom will look a bit different. Attendees will have access to a dance floor but they will be dancing in groups and must be masked. There will be no "slow dancing" and attendees will have other activities to do when not on the dance floor.

DINING & TABLE SETUP

Attendees will have access to food that will be pre-packaged by Franklin Commons and will only be allowed to remove their masks while eating. For added safety, dinner will be **OPTIONAL** for students and eating times will be limited to set increments. If anyone would prefer not to eat, they will note this when purchasing tickets.

Tables designated for eating are 5' round and will mostly be in outdoor areas. They will seat up to 10 people, so please be aware that students will be much closer than 6' during their dining times.

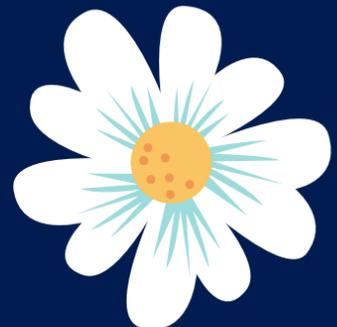

STUDENT GROUPING

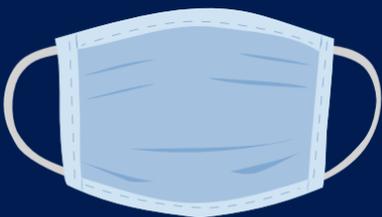

Given the nature of prom, we cannot guarantee that attendees will be socially distant. In an effort to mitigate risk, attendees will be grouped into at least three groups for activities throughout the night, with student group preferences taken into account. These groupings will be divided for specific dining times, dancing times, and other activity times. They will also be used to determine staggered entry and exit times.

OUTDOOR SPACE

Franklin Commons offers outdoor space that will enable attendees to be spaced out more safely. For distancing and safety purposes, groups will have outdoor activities they can partake in as part of their prom rotations within their group schedule during the night. Historically, these other activities include lawn games, board games, or small group spaces. We also plan to make every effort to have tables designated for eating be located in the outdoor areas.

KEY SAFETY MEASURES

- Dinner will be served in shifts for safety and cleaning purposes. Utensils will be disposable and every effort to eat outdoors will be made
- Staggered entrance and exit times
- Hand sanitizer readily available (approx. every 15')
- Masks worn at all times when not eating
- Outdoor space will be used and students will cycle indoors and outdoors throughout evening
- Attendee grouping required
