

SUMMER READING 2018

Theme: Read Around the World

Challenge: Read at least 6 books (at least 2 that have characters from different cultures, take place in a different country, or are written by an author from somewhere cool). When you are finished reading the 6, read more of any kind of book you like! The point is to just keep reading.

★ SUPER BIG Challenge ★

Help our school read around and around the world!

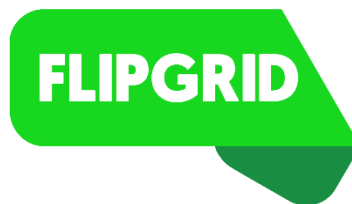

Attached you will find a map that will help track the minutes you read over the summer. Each class will add up their miles the 1st week of school. Students that finish their maps will receive an invitation to our celebration!

**If we read 24,901 minutes this summer,
we will have traveled around the whole world once.**

Where Do I Find Books? Checkout your local libraries! The Malvern Public Library will have baskets of books from which to choose in the children's area. The list on the back of this paper gives book suggestions; however, they are not a requirement.

Extra Fun:

Flipgrid- Try this cool website and/or app to create videos for one or more of the books you have read this summer. You will flip for how easy and fun it is!
