

# JUST READ.

**Q:** What is this year's summer reading theme?

**A:** Just Read.

**Q:** What do students need to do to complete the summer reading program?

**A:** Just Read.

**Q:** Is there anything my child needs to bring back to school in the fall?

**A:** Your child will fulfill all the summer reading requirements if they Just Read.

**Q:** Do they have to chart their minutes or complete a packet?

**A:** No, Just Read.

**Q:** Are there any books students are required to read?

**A:** Nope. Just Read.

**Q:** Why not?

**A:** The purpose of the Summer Reading program is to encourage kids to read so they will develop a lifelong love of reading. Research shows that the most significant factor in motivating kids to read is *choice*.

**Q:** What can the students read this summer?

**A:** Students can choose any level, genre of book, magazine, ebooks, comics, websites, articles, maps, cereal boxes. Just Read.

**Q:** Does my child have to read books on his/her level?

**A:** No. When students read for pleasure, they should be encouraged to choose from a wide variety of topics, genres, and levels.
