

Skyward Family Access

As a guardian of a student at Great Valley School District, your Family Access account can be used to log into the Skyward Family Access web site to view information about your child. Skyward Family Access is a way to view your child's schedule, grades, daily attendance, and contact information. If you have several children in the district, you can view each of them from this same web site by selecting their name from the "Student" field at the top of the Family Access screen. Click on or paste the following link into your web browser to reach the Skyward Family Access login page.

<https://skyward.gvsd.org/scripts/wsisd.dll/WService=wsEPlus/fwemnu01.w>

You can also reach this web site by clicking the "Skyward" icon on the Great Valley School District web site at www.gvsd.org. If you prefer to change your Family Access user name, password, or e-mail address, you have the option to do so by clicking the "Account Info" button at the top of the Family Access screen.

For questions and account information, please contact the Main Office of the school your child attends.
