

AMERICA'S SWEETHEART Second Marriage!

Our famous American sweetheart got married for a second time. Mary Pickford, who has starred in 194 films, and who has gone through a marriage and divorce, has gotten married again. This time to Douglas Fairbanks.

They are America's first Hollywood couple. Mary and Douglas

already have their own Hollywood name, Pickfair, and Pickfair has made a big scene in Hollywood.

We all know that Mary was an actress at a young age, and starred in 40 movies with G.W. Griffith. Most shocking of all is that she was married to Owen

Moore and divorced him just to be with Fairbanks. Scarlet Elane, who attended the wedding said, "Mary has never been so in love. She's head over heels for him!"

We all know Mary's personality from watching

**MARY HAS NEVER
BEEN SO IN LOVE!
SHE'S HEAD OVER
HEELS FOR HIM!**

her films and seeing her in the World War I posters,

but we have never seen anything like this! Will this be it? Is Fairbanks the one? Will Mary fall in love again? Will she get married a third time? Guess we will all have to wait and see.
