

KDM Student Council Homeroom Representative Interest Form

Please read the following pages carefully.

PART 1 Student Council Responsibilities and Guidelines

A Student Council Representative should answer YES to the following statements...

I am interested in being elected as a Homeroom Representative.

I understand that to be a part of the Student Council I need to demonstrate leadership skills, represent all my classmates, keep up with my schoolwork and follow the school rules.

I need to be a good example at all times. I need to be respectful of all students and their opinions.

I understand that if I am elected, I am responsible for attending all meetings on time (at least once a month) and am responsible for reporting to my classmates and my assigned classes what is going on in the Student Council. I understand joining the KDM Student Council is a commitment.

I talked to my parents or guardians and they know I want to participate in the election for Student Council Homeroom Representative.

I understand for the 2021-22 school year all meetings will be held in person. Most meetings will take place once a month on a Wednesday at 8:00 AM in Mrs. Over's Classroom. An official Wednesday meeting schedule will be distributed when the council is elected. (We will do our best not to have meetings conflict with band/orchestra, Reading Olympics and choir.)

Other Information:

Read and sign your name on the back of the **Representative Information** page IF you agree to follow **all** the responsibilities of the KDM Student Council and want to participate in the election you will need to hand this form to Mrs. Over **by Friday, Sept 17. NO late forms will be accepted.**

Please **write neatly** all your answers on this form. Your teacher will set a date for you to speak to your homeroom about why you want to be a representative. Each fourth and fifth grade homeroom will have three elected representatives. After all applications are submitted and speeches are made, your classmates and teachers will vote to elect those students they feel can represent them by having an announced class election.
