This is the 4th Annual Great Valley String Fest day and concert that includes grades 4-12 strings. It promises to be a wonderful experience for the younger and older students to perform together and for elementary orchestras to get a glimpse of what's to come as they move up through the Great Valley music program. The concert will conclude with a combined piece of all 4-12th graders playing together! The Great Valley Music Parent Association is providing free water ice immediately after the concert so plan to enjoy a treat! 😊

If you have any questions or concerns, please contact me (email is the best). As always, thank you so much for your support of the Strings Program! We are looking forward to this event!
