From The Directors...

The performance of live music is a vital and important part in the enrichment of the human spirit and the education of our youth. The talented students you hear practicing their art this evening have worked hard both individually and within their ensembles. While they are at different individual ability levels, they all share a common goal; to perform well as an ensemble and have some fun doing it! Our special thanks to the parents of our young musicians for allowing us the opportunity to work with, learn from, and make music with your children. Your continued support of music is the foundation of our program here at GVMS and throughout our school district.

Please stop by the table in the lobby to support the

Great Valley Music Parents Association (GVMPA)

GVMPA provides financial, advocacy and volunteer support to all music students and their teachers at GVHS, GVMS and Great Valley elementary schools in vocal and instrumental programs. GVMPA's primary function is to provide funds for musical instruments, uniforms, and other equipment, in order to fulfill needs that fall outside the GVSD music department's regular operating budget.

Visit the website www.GVMPA.org for more information about how to help sponsor Great Valley music programs. All sponsorships from GVMS families will be earmarked for the benefit of Middle School music programs – **you may be able to get reserved seating at the concert!**

In addition, GVMPA provides several opportunities for music students to **raise funds for their own music related expenses** – including the Jazz Band/Chamber Orchestra trip to Hershey.

Any parent of a student currently involved in any Great Valley music ensemble has membership in the GVMPA. If you'd like to be on the mailing list to learn about upcoming GVMPA activities, please visit www.GVMPA.org Also, please "Like" us on Facebook (@GVMPA) and follow us on Instagram.
