Attention Seniors:

This summer, you will have the opportunity to come to the High School and receive your parking tag for the 2018 – 2019 school year. Registration will be in the High School Main Office during the following dates and times:

- **Week of August 27, 28, 29, 30, and 31 same times as above**

During these dates and times, you will meet with administration to be informed if you have met the criteria for parking. When you arrive for your tag, you must have the following:

- **Completed vehicle registration form, including signatures**
- **Check made payable to Great Valley High School in the amount of \$100**
- **Copy of your license**
- **Signed “Family Safe Driving Agreement”**

No application will be approved without the above 4 (four) items. If approved, you will receive your parking tag that day.

PARKING

- All drivers must be registered in the office. Hanging tags will be distributed for \$100.00 per year and must be placed on the front visor of cars registered. Additional tags may be purchased at a cost of \$10.00 if lost or if the student drives various family automobiles. Any applications approved after January, the fee will be pro-rated. Students are to park in the designated parking lot corresponding to their registration tag. Students must observe safe driving regulations on campus (maximum 15 mph during school hours).
- Students will have driving privileges revoked for, reckless driving, speeding, but not limited to the following violations: illegal parking, **parking in the visitor lot during/after school**, persistent lateness to school, leaving school without permission, cutting classes and insubordination to the staff. Students who park illegally (no tag, visitor lot, etc.) may be fined, warned, a letter will be sent to parents notifying them of the consequences, the car may be towed or booted with the owner responsible for any expense or fee for towing or boot removal.
- Seniors who obtain their driver’s license during the school year may apply for their parking privilege at that time, however, spots may not be available.
- The driver or owner of the car is responsible for the car. The school is not responsible for damage to the car on the lot. Please keep cars locked. A school district safety aide monitors the parking lots throughout the day as a precautionary measure to maintain a safe school environment.
- Parking passes are not transferable from student to student.

Student drivers must use Phoenixville Pike access. Students participating in extra-curricular activities will also be picked up at the main or gym entrance area. Failure to observe Driving and Parking Regulations may result in assigned detentions and/or the revocation of driving privileges.

School parking lots are private property and parking on school property is a privilege. Cars parked on school property are under the jurisdiction of school administrators and students have no right to expect that the contents of their cars are private. Vehicles may be searched if an administrator has reasonable suspicion that the vehicles may contain items that are illegal or violate school rules. Regularly scheduled random canine searches will be conducted in student parking areas. Students who apply for a parking tag must sign an agreement that they understand that these searches will occur and that they will provide access to their vehicle if an administrator makes such a request.
