1. Click the "Request Changes for..." link in the upper-right corner of the screen and select

The screenshot shows the Skyward Family Access interface for a student named FICTITIOUS STUD1. The top navigation bar includes 'FICTITIOUS PARENT', 'My Account', 'Email History', and 'Exit'. A 'Select Language' dropdown is also present. The main content area is titled 'Student Information' and contains a sidebar with navigation links (Home, New Student Online Enrollment, Online Forms, Attendance, Student Info, Food Service, Schedule, Test Scores, Fee Management, Report) and a central information panel. The central panel displays student details such as school email, address, grade, and emergency contacts. A 'Request Changes for FICTITIOUS' link is visible in the top right of the information panel. A modal dialog box titled 'Edit Emergency Contacts for FICTITIOUS STUD1' is open, showing fields for contact number, name (First, Middle, Last), relationship, comment, and phone numbers (Primary, Second, Third) with checkboxes for 'Delete this Emergency Contact' and a 'Pick Up' dropdown. A 'Save' button is at the bottom right of the dialog.

1. Set your contact preferences for each of the phone numbers and emails under the "Contact Info" heading by checking or unchecking the boxes associated with each message type. You may not deselect any of the numbers associated with Emergency notifications. The phone numbers and emails included in the "Contact Info" section are those phone numbers and emails associated with your Skyward Family Access account. Changes to these contacts cannot be made from the Skylert page. For instructions about how to change these numbers, please refer back to STEP ONE.
