The KD Markley Intramural program is a after-school sports program that promotes responsibility, fairness, respect, sportsmanship, and healthy lifestyle choices for 4th and 5th grade students. Please note that the program is open to the first 30 participants, with additional participants being added to the wait list. Dates of the sessions are on the attached page.

Parents must send in a note giving their child permission to stay for each and every session their child is attending. If someone other than a parent is picking up the child, the parent must indicate in writing. If we do not have permission for your child to stay by noon on their intramural day, we cannot allow them to attend and they will go home on the bus.

A parent or other designated driver must pick up the student promptly at 4:30 in the main lobby and sign them out. They also agree that two pick-ups after 4:30 may result in their child's dismissal from the program. **ALL STUDENTS MUST BE SIGNED OUT BY PARENT OR DESIGNATED DRIVER.** By signing below parents give permission for their child to participate in the program.
