We were able to accept 24 new members to the robotics team. For any students who were not accepted this year, please don't be upset. This was a random drawing out of all interested students, with almost 50 total names in the drawing.

For students who were selected, please bring your completed membership form along with a check for the club fee of \$125. Please be sure to have your name on the check. You may not participate in robotics until you've paid the \$125 club fee.

The first full robotics club meeting is on Tuesday, September 17th from 2:30PM until 4PM in Room 136. Meetings are on Tuesday and Thursday afternoons from 2:30 until 4PM.

Any questions, see Mr. Ruckelshaus in Room 136.
