Dear Parents,

All Great Valley Elementary schools will be assessing activity fees for the 2021-2022 school year. The fees for activities will help to offset the expenses of our extracurricular programs. Elementary students who participate in extracurricular activities will be required to pay a fee of \$40 per activity.

## Level and Family Caps:

To assist families with multiple students, the District has imposed caps on activity fees as follows:

- Elementary - Individual student cap at \$120; family cap at \$300;
- Secondary – Individual student cap at \$285; family cap at \$750;
- District-wide – No family will be required to pay more than \$750 per school year.

Parents who believe they have exceeded these financial limits should contact their child's principal.

All activity fees will be waived for students who qualify for our free or reduced lunch program. If your child qualifies for free or reduced lunch, please contact your child's principal so arrangements can be made. Strict confidentiality will be maintained. Please be aware of some additional details:

- Fees will be collected by each activity sponsor/advisor;
- Fees may be paid by check, money order, or cash;
- Students may not participate in the activity(ies) until the fee for the activity is paid;
- Fees are non-refundable except in cases that involve roster limitations and try-out situations (Note: If a student is not selected to participate in a try-out activity, checks and money orders will be destroyed and not returned.);
- Refunds will not be issued when students quit, transfer schools, sustain injury, or are dismissed from a team/activity.

Please see the attached registration / payment form for the extracurricular activity.

Sincerely,

Dr. Kyle Hammond.  
Principal
