The Great Valley School District understands that students may wish to take a course outside of GVHS in order to advance to a higher level of proficiency in a subject area prior to graduation. All courses must be for **original** or **enrichment** credit and full credit courses should equal 120 hours of instruction.

**Please note that BYU courses are not approved by NCAA. All online courses are subject to an individual review, and therefore we cannot guarantee that it will be approved by the NCAA. This only affects student athletes who wish to participate in a Division 1 or Division 2 sports in college. These courses are accepted at most colleges and universities for admissions purposes.**
