Each year, Great Valley High School has the opportunity to choose one student to represent our school as a **HOBY ambassador at the HOBY Leadership Seminar**. To become a HOBY ambassador, the student must be a sophomore with leadership potential, a good academic foundation and involved in community service. Applications are now available and due by December 2nd. Anyone with questions should see Mrs. McDonnell in the Counseling Office.

### **Attention Sophomores and Juniors,**

Applications are now available for highly selective summer enrichment programs (PA Governor's School and former Governor's School initiatives). Information on each program will be sent out as a school messenger this week. If you are interested in applying to any of these programs, come to the counseling office by the first week of December to make an appointment with your counselor. You will need a letter of recommendation and other documents from the counseling office as well as recommendations from specific teachers.

Any student interested in the **United States Military Academy** at West Point should attend an information session on Friday, December 13<sup>th</sup> at 6:30 pm at the Independence Seaport Museum in Philadelphia. The link to RSVP is:
