Points of Interest

- The GVMS PTO is thrilled to share that Dr. Matt Silver of Great Valley Orthodontics (<https://greatvalleyorthodontics.com/>) will generously fully fund our PTO's Membership Toolkit access for all GVMS families for the current school year - a \$10 savings for each GVMS family! If your family has already paid for Membership Toolkit access for the 2022-2023 school year, you have the option to donate your payment to the GVMS PTO, or request a refund. Please refer to all the details here <https://www.gvmspto.org/>. If your family has not yet registered for Membership Toolkit for the 2022-2023 school year, please do so here: <https://gvmspto.membershiptoolkit.com/home>. Thank you Dr. Silver!
- The Great Valley School District Education Foundation (GVSDEF) is excited to announce the second annual art recognition project called **SOAR**. This project is open to students in **grades 5, 8, and 12**. Participating students will create an original piece of artwork (11X14) based on this year's theme, "Where do you go or what do you do to feel most refreshed, recharged, inspired?" Students are encouraged to ask their art teachers for additional information and supplies. GVSDEF looks forward to recognizing the amazing talents of our students!
